A MESSAGE TO PROSPECTIVE MEMBERS ABOUT THE ARLINGTON YACHT CLUB - AND ABOUT THIS APPLICATION

The Arlington Yacht Club sponsors a variety of sailing activities with the main emphasis on racing. It is basically a club for family participation, operating on a modest budget, where the members themselves do most of the work. The Club has been built up through many years of effort by people who share an enthusiasm for sailing - people who have enjoyed the companionship of meaningful work ashore and keen competition on the water.

It is important that a prospective member, in filling out this application, recognize the unusual nature of our Club. This is an organization where the membership fee, annual dues, and boat storage fees are relatively small, and where, to a large extent, one pays for the privilege of membership by working with others in the pleasant job of making the Club function successfully.

The racing fleets take turns operating the committee boat and rescue boats during races. Most repairs and improvements to the clubhouse and grounds are done on a voluntary basis. Because there are no employees or custodians, it is the responsibility of all members to maintain security of the grounds. We plan, organize, and carry out our own social events. Cutting the grass, mopping the floor, sweeping the porch, and all the rest that keeps the Club looking good - we do ourselves.

Please prepare your application completely and carefully. It will serve as a basis for review by the Membership Committee and a source of information if membership is approved. In particular, your signature at the bottom of the application indicates that you understand this to be a club where all members expect to do their share of the work, and that you believe you would enjoy belonging to the Arlington Yacht Club on that basis. You may present your completed application to your Sponsoring AYC Member, or by mailing (or email) to the address provided at the top of the application. The Application fee of \$90.00 must accompany the application. Application fees must be in the form of a personal check or money order payable to the Arlington Yacht Club. Applications received without an application fee will not be considered.

After submission of your application along with the application fee, you will have 60 days to attend a total of three Club activities. These activities shall include one of each of the following: Sunday lunch or equivalent Club sponsored social event, Sunday race duty, work party. After you have met these requirements, the Club Membership Committee will review your progress. A recommendation to the Board of Directors will follow for final consideration.

Upon acceptance, you will be promptly notified with the date and time for your Club indoctrination, at which time you must submit your prorated annual dues (based on \$180 per year). After your indoctrination, you will be a member of the Arlington Yacht Club with full rights and privileges, including eligibility for boat storage space in the boat yard. If your application is rejected for any reason, your application fee will be promptly refunded.

Boat storage fees per year are as follows:

Overall length less than 15'	\$ 90.00
Overall length 15', but less than 20'	\$120.00
Overall length 20' or more	\$175.00
Multihulls	\$175.00
Rack Storage	\$ 50.00
